
Winter School 2019 Programs

18 June - 6 July (Grade 10-12)

PROGRAMS' SYNOPSES

The Winter School Programs currently has separate classes and programs for learners from grade 10 to 12. Our philosophy is to go beyond the mere study guide and textbook methodologies and encourage critical thinking. Whilst the Winter School Program offers techniques and methodologies for answering exam questions in senior programs, our tutors place great emphasis on the understanding of concepts rather than the mere memorization of methods for completing examinations.

The available programs are as follows:

Grade 10, 11 and 12 Winter School for Maths and Science

- Specialized classes
- All notes & workbooks included
- Teaching and revision
 - Complete grade 12 syllabus taught and revised in 10/11 sessions (grade 12 program)
 - Teaching of essential content and revision of terms 1-3 for grade 10 and 11 programs
 - Separate programs for each grade and subject
 - Includes fun experiments and investigations
- Taught by experienced and expert teachers and tutors with over 800 practice questions, including matric examiners
- Excellent track record, operating since 2008
- Hosted from 2009-2014 and 2016-2017 at University of Cape Town
- Six months access to the proprietary Futures Academy online resource library (grade 11s and 12s)
- 10-day program

Program and subject details available on the next page.

DATES AND TIMES FOR ALL WINTER PROGRAMS

All days attendance compulsory. Fridays commence at 08h00.

All programs will take place in St John's Road, Lansdowne, Cape Town

Details of venues will be communicated to registered students closer to the time.

PROGRAM COSTS

The costs for the various programs are set out below.

Please note that the cost displayed is per subject for Grades 10 to 12 programs.

Please note: All new students and students who are not registered on any current YaleSA programs pay the public full price. Discounts are applicable to students who choose to do more than one subject and students who are registered on current qualifying YaleSA programs.
